## Experience

### OGP
Walmart

I'm currently working at the American Fork, UT Walmart in the Online Grocery Pickup department. When someone orders online, I'm with the group of people that takes the groceries outside and puts the groceries in their car. I always work hard, and make sure that I am always on task.

### Sandwich Maker

Jun 2019 - Nov 2019 (6 months)
I was a Sandwich Artist at Subway. I am almost always a bit early for work, and I often stay afterwards to finish up whatever needs to be done.
(801) 766-9842

### Assistant
Education

Mar 2018 - May 2019 (1 year 3 months)
Bob Richards is an older gentleman in my neighborhood who needed help with yard work, and building his shed from scratch. I went there for over a year, helping him with anything that he needed help with.
(208) 521-2848

### Ashton, LLC

I'm also currently a student at MTECH. I'm in the Web Development class, where I spend three hours every morning before I go to Lehi. I love it in class, and I'm always learning so much. I've included my GitHub with all the projects I've worked on at the top of my Resumé.

## Education

### Mountainland Technical College

Graduate, Web Page, Digital/Multimedia and Information Resources Design
2020 - 2021
I'm also currently a student at MTECH. I'm in the Web Development class, where I spend three hours every morning before I go to Lehi. I love it in class, and I'm always learning so much. I've included my GitHub with all the projects I've worked on at the top of my Resumé.
Through MTECH, I have become proficient in HTML, Angular, React, and others. I also am proficient in Javascript, which I've learned in this class and at Lehi.

**Lehi High School**

Graduate, General Studies

2017 - 2021

I am currently a student at Lehi High School. I have taken coding classes there since my first year, and I've always received an "A" because of my hard work. I have taken several concurrent enrollment classes, mainly in Coding, Chemistry, and French.

## Licenses & Certifications

**Eagle Scout** - Boy Scouts of America

## Skills

C#  •  JavaScript  •  HTML  •  React.js  •  AngularJS  •  French  •  SASS  •  Quality Assurance  •  C++  •  Customer Service

## Honors & Awards

**Eagle Scout** - Randall Stephenson

Jul 2017

I got my Eagle Scout! It was a lot of hard work, but it was a joy to work on. For my project, I made 2 LEGO tables for Thunder Ridge Elementary, so kids with special needs could play with LEGOs. It was a really cool experience to give those to the kids, everyone seemed so thrilled to have them.
